

Hackathon Schedule

THE HACKATHON IS NOW 100% DIGITAL

Please note that elements highlighted in **orange** are compulsory activities over the hackathon weekend. This schedule is designed for you to tap into any additional resources you need, such as **learning how to make a video** or **recapping on the rules**.

We will be LIVE broadcasting from **Hack Live (bit.ly/hack-live)** studios, with all key announcements happening in **Slack**. It all begins at 4pm Friday 23rd July!

Please keep **Hack Live (bit.ly/hack-live)** open throughout the entire weekend to ensure you don't miss any key announcements. **Good luck!**
